International travels for the Goethe-Institut took the artist to India and Kenya in the mid and late 1980s. Motifs of landscape and architecture photographed by the artist herself are collaged with postcard motifs, magazine cuttings, fragments of writing on large-format handmade paper and coloured in watercolours. The present travel collage goes back to her travels in India and shows the model Anna Mandel, who is an actress in the film "Etwas wird sichtbar" (1981) by Harun Farocki.
